(Note: This is ONLY for the first Live account, for the second and subsequent account opening you need to apply by sending us an email to my.support@icm.com)

1. Go to www.clients.icmcapital.com and **sign in** using your email and password.

Below the ICM Capital VC logo, the ICM.com logo is displayed, followed by the text 'Sign in to your ICM Access'. The sign-in form contains three fields: 'Email', 'Password', and a 'Forgot your password?' link. A red arrow points to the 'Email' field, another red arrow points to the 'Password' field, and a third red arrow points to the 'Sign in' button. Below the 'Sign in' button is a link that says 'Don't have an account?'.

2. Once you have successfully signed in, you will be taken to your “**Account summary**” page. Click on the “**Create a new trading account**” at the top of the page to open your Live account.

The screenshot shows the ICM Account summary page. On the left is a sidebar with a menu. The top of the sidebar has the ICM.com logo. Below it, the menu is organized into sections: 'TRADING ACCOUNTS' (Account summary, Analysis, Web terminal), 'PAYMENTS' (Deposit funds, Withdraw funds, Apply for MasterCard, Internal transfer, Payment history, Bank details), and 'DOCUMENTS' (Legal documents, Upload documents). The main content area is titled 'Account summary' and features a language dropdown set to 'English'. At the top right of the main area, there are two buttons: 'Add a new demo account' and 'Create a new trading account', with a red arrow pointing to the latter. Below these buttons, the page shows 'Live accounts 0' and 'Demo accounts 0'. At the bottom right, there is a user profile icon and the text 'Your Name'.

3. Select your desired trading **platform** > **Currency** > **Account type** > **Agent number** (if any) > and then click “**Create account**” button to submit.

4. You will then receive an email informing that your Live account has been created successfully with further instructions. Your Live account will appear under the Account Summary section in your ICM Access portal.
